

Etac Clean

Etac Clean is secure, safe and simple for both users and carers. With practical functionality and design, every detail of the chair has been developed to give the user a positive and safe bathroom experience.

Easy to fit and manoeuvre

Etac Clean is extremely easy to operate, thanks to the width of the push handle. The clever design can be seen throughout the entire chair. The upright handle ensures that Clean is a perfect fit, even over wall-mounted toilets, and the chair is open at the back to facilitate access.

Comfortable and practical foot support

The foot support is unique and can be pushed under the seat when not in use. The soft curved surface provides good comfort for the feet, which are also protected by the foot support's side protection.

All other variants of Clean also have these features, but with additional functionality to meet other needs.

Maintenance

Clean the product with a solvent-free cleaning agent (pH level 5–9), or with a 70 % disinfectant solution. Can be decontaminated at max 85° C / 185° F if so required.

Features

Slim but roomy

The smart design gives Etac Clean a large and comfortable seating area even though the chair is neat and slim.

Fits over the toilet

Thanks to the upright operating handle, the chair is a perfect fit, even over wall-mounted toilets.

Easy access

The chair is open at the back to facilitate access for hygiene purposes.

Foot support designed for feet

The practical foot support has a soft, rounded shape which gives the feet extra comfort and protection.
